Re: Open Records Request #16860 Regarding Milton Packer

Dear Mr. Dalsimer:

As you requested, enclosed is a copy of the public verification/physician profile regarding Dr. Milton Packer. Our records indicate that Dr. Packer was issued a Faculty Temporary License on July 15, 2004 through July 15, 2006; and July 16, 2006 through July 16, 2007, at the University of Texas Southwestern Medical Center, Dallas, Texas. Dr. Packer's Faculty Temporary License expired on July 16, 2007.

Our records also indicate that the Texas Medical Board received Dr. Milton Packer application for licensure on May 29, 2007. Dr. Packer's application for licensure is currently being processed. Once his application is complete, one of the requirements will be that Dr. Packer take and pass the Texas Medical Jurisprudence Examination.

I trust this is the information you so desire.
