FROM: J. Ryan
SUBJECT: Core Testing

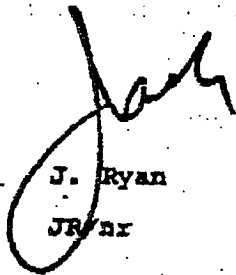

COPIES TO:

C. Patrick/J. Peterson/
G. Mull
BMC Members

We are announcing to our U.S. Koats® customers that we have switched all future production to only HT Koats®. This letter to customers is going out some time next week.

Effective immediately, you should discontinue all hepatitis B core screening and all segregation of plasma based on this test.

Please work with the BCC in deciding how to handle current inventories of plasma, etc.

J. Ryan
